ABOUT MINGJA

Welcome to Mingja Inc.

Mingja Inc is a manufacturer and importer of contract furniture. We work together with you or your designer to create your ideal setting for your next hospitality project.

We create custom booths and banquettes to your plans and designs. We have highly skilled upholsterers that have over 10+ years of experience that can help bring your designs to reality, if upholstery is not your thing, we can also do wood or laminate finished booths with our CNC machine. We also do engraving, mill work, and wood staining by request.

We import items from all over the world (Italy, Germany, China, and etc) and are stocked here in our warehouse in Temple City, CA. We offer full customization of seating material and frame colors on select items. If you have any questions please contact us!
